

WHAT WE DO

PRIVATE LESSONS

- For those who want to learn in a private environment, IT 4 Retirees offers 1-on-1 tuition in the comfort of your home.
- Tailored so you learn only what is important to you using your devices at a time that suits you.
- Available in a discounted bundle of 5 x 1-hour sessions for those needing on-going help or time to absorb and practice what they've learned.

PATIENCE KNOWLEDGE CARE

IT 4 RETIREES
Patience. Knowledge. Care.
Personalised help for your computing needs

HOW WE HELP

WHO WE ARE

Learn to use your mobile phone, tablet or computer:

- At a pace that suits you
- In the comfort & privacy of your own home
- Patient & understanding trainers
- Easy to understand language
- Personalised to your specific needs
- Easy to follow instruction manuals
- Help over the telephone when you get stuck
- Guidance buying the most appropriate devices for your needs

WHAT WE DO

As everyone responds to different learning styles and tools, IT 4 Retirees offers:

- One-on-one private lessons
- Group classes
- Manuals
- Telephone support
- Buyer advocacy (devices, phone & data plans)
- Speaking engagements
- Webinars
- Drop in sessions

GROUP CLASSES

- Apple, Samsung & Windows
- Small class sizes
- Hands on
- Handouts provided

IT 4 Retirees is a local business providing technology training tailored for each person's individual needs and skill set.

Our trainers are patient and tech-savvy, using easy to understand language to demystify devices and empower you to use them with confidence.

Owner Christine David is a certified Trainer & Assessor who has worked in the computer industry for over 35 years installing, training and supporting computer systems.

Chris and her team have a wealth of knowledge and experience helping people to use their devices effectively.
